

MUSIC SUMMMER CAMP

"THIS CAMP WAS LIKE NOTHING ELSE WE HAVE EXPERIENCED BEFORE. THE FACE OF MY SON JUST LIGHT UP EVERY MORNING WHEN I MENTIONED THE MUSIC CAMP! I AM VERY GRATEFUL FOR THE OPPORTUNITY. YOU PUT A LOT OF THOUGHT INTO THE PROGRAM. HE LIKED ALL THE INSTRUMENTS, ESPECIALLY THE VIOLIN."

Emphasis is on classical music introduction at early age, designed for children aged 5-7 years old. Its goal is to empower young minds with new fascinating knowledge and encourage interest in music in young age. Mini concert is a highlight of the week!

Besides VIOLIN, many more instruments are introduced (viola, cello, double bass, piano, harp, guitar, drums). This helps if you and your child are undecided about choosing the musical instrument in future.

Rhythm, melody creation, notation, history, games, singing...
